Mistyle Diamond Dazzler for Kerri-Anne

On the 3rd of May Joh made an appearance on the Kerri-Anne Show to discuss all things fashion and Logies. As a special gift for Kerri-Anne, (our version of a logie) Joh presented her with a one of a kind Pink Mistyle Straightener valued up \$10, 000.

The amazing promotional Pink Mistyle Diamond straightener designed by infamous jeweller Nick Cerrone, (www.nickcerrone.com.au) it incorporates Pink Sapphires, Cubic zirconium and white gold. The logo has been rhodium plated to highlight the brand.

Joh is a big part of the Kerri-Anne Kennerly Show and wanted to give her something special to celebrate the launch of the new mistyle range.

Also to celebrate the mistyle range - don't forget to enter the 'Ultimate Urstyle' competition.
